# President Donald J. Trump Has Delivered Record Breaking Results For The American People In His First Three Years In Office

Issued on: December 31, 2019

“

We are making America stronger, prouder, and greater than ever before.

*President Donald J. Trump*

**PROMOTING ECONOMIC PROSPERITY FOR ALL: President Trump’s pro-growth policies have led to an economic boom that is lifting up Americans of all backgrounds.**

- Since President Trump’s election, more than 7 million jobs have been added to the economy.
- For the first time on record there are more job openings than unemployed Americans.
- There are more than 7 million job openings, outnumbering job seekers by more than 1 million.

- Nearly two-thirds of Americans rate now as a good time to find a quality job, empowering more Americans with rewarding careers.
- This year, the unemployment rate reached its lowest level in half a century.
  - The unemployment rate has remained at or below 4 percent for the past 21 months.
  - The unemployment rate for women reached its lowest rate in 65 years under President Trump.
- Under President Trump, jobless claims hit their lowest level in half a century.
- The number of people claiming unemployment insurance as a share of the population is the lowest on record.
- American workers of all backgrounds are thriving under President Trump.
  - The unemployment rates for African Americans, Hispanic Americans, Asian Americans, veterans, individuals with disabilities, and those without a high school diploma have all reached record lows under President Trump.
- The booming economy is putting more money in Americans' pockets.
  - Wages are growing at their fastest rate in a decade, with year-over-year wage gains exceeding 3 percent for the first time since 2009.
  - November 2019 marked the 16th consecutive month that wages rose at an annual rate of at or over 3 percent.
  - Median household income surpassed \$63,000 in 2018 – the highest level on record.
- President Trump's policies are helping forgotten Americans across the country prosper, driving down income inequality.
  - Wages are rising fastest for low-income workers.
  - Middle-class and low-income workers are enjoying faster wage growth than high-earners.

- When measured as the share of income earned by the top 20 percent, income inequality fell in 2018 by the largest amount in over a decade.
- Americans are being lifted out of poverty as a result of today's booming economy.
  - Since President Trump took office, over 2.4 million Americans have been lifted out of poverty.
  - Poverty rates for African Americans and Hispanic Americans have reached record lows.
  - Since President Trump's election, nearly 7 million Americans have been lifted off of food stamps.
- Americans are coming off of the sidelines and back into the workforce.
  - The prime age labor force has grown by 2.1 million under President Trump.
  - In the third quarter of 2019, 73.7 percent of workers entering employment came from out of the labor force rather than from unemployment, the highest share since the series began in 1990.
- President Trump's pro-growth policies are helping businesses of all sizes thrive like never before.
  - Small business optimism broke a 35-year old record in 2018 and remains historically high.
  - The DOW, S&P 500, and NASDAQ have all repeatedly notched record highs under President Trump.
- President Trump is following through on his promise to revitalize American manufacturing, with more than a half million manufacturing jobs added since the election.
- President Trump has prioritized workforce development to ensure American workers are prepared to fill high quality jobs.

- The President has worked to expand apprenticeship programs, helping Americans gain hands-on training and experience with no student debt.
- Since President Trump took office, over 660,000 apprentices have been hired across the country.
- President Trump established the National Council for the American Worker, tasked with developing a workforce strategy for the jobs of the future.
- Over 370 companies have signed the President's "Pledge to America's Workers," pledging to provide more than 14.4 million employment and training opportunities.
- President Trump signed an Executive Order prioritizing Cyber Workforce Development to ensure that we have the most skilled cyber workforce of the 21<sup>st</sup> century.
- President Trump signed the Tax Cuts & Jobs Act in 2017 – the largest tax reform package in history.
  - More than 6 million American workers received wage increases, bonuses, and increased benefits thanks to the tax cuts.
  - \$1 trillion has poured back into the country from overseas since the President's tax cuts.
- President Trump is revitalizing distressed communities through Opportunity Zones, which encourage investment and growth in underserved communities.
  - More than 8,760 communities in all 50 States, the District of Columbia, and 5 Territories have been designated as Opportunity Zones.
  - The White House Opportunity and Revitalization Council has taken more than 175 actions to encourage investment and promote growth within Opportunity Zones.
  - The White House Opportunity and Revitalization Council is engaging all levels of government to identify best practices and assist leaders, investors, and

entrepreneurs in using the Opportunity Zone incentive to revitalize low-income communities.

- The President is ensuring that America is prepared to lead the world in the industries of the future, by promoting American leadership in emerging technologies like 5G and AI.
  - The Administration named artificial intelligence, quantum information science, and 5G, among other emerging technologies, as national research and development priorities.
  - President Trump launched the American AI Initiative to invest in AI research, unleash innovation, and build the American workforce of the future.
  - President Trump signed an Executive Order that established a new advisory committee of industry and academic leaders to advise the government on its quantum activities.
- President Trump has made supporting working families a priority of his Administration.
  - President Trump signed legislation securing historic levels of funding for the Child Care and Development Block Grant, helping low-income families access child care.
  - During his Joint Address to Congress and each State of the Union Address, the President called on Congress to pass a nationwide paid family leave plan.
  - The President signed into law 12-weeks of paid parental leave for federal workers.
  - President Trump's tax reforms provided a new tax credit to incentivize businesses to offer paid family leave to their employees.
  - The President's historic tax reforms doubled the child tax credit, benefitting nearly 40 million American families with an average of over \$2,200 dollars in 2019.

**LIFTING THE BURDEN OF OVERREGULATION: President Trump's historic deregulation efforts are driving economic growth, cutting unnecessary costs, and increasing transparency.**

- President Trump has delivered on, and far exceeded, his promise to slash two existing regulations for every new regulation.
  - Since taking office, President Trump has rolled back nearly 8 regulations for every new significant one.
- The Trump Administration's deregulatory efforts have slashed regulatory costs by more than \$50 billion.
- In the coming years, the average American household is projected to see an income gain of \$3,100 per year thanks to President Trump's historic regulatory reform.
- Once fully in effect, 20 major deregulatory actions undertaken by the Administration are expected to save American consumers and businesses over \$220 billion per year.
- President Trump signed 16 pieces of deregulatory legislation that are expected to result in a \$40 billion increase in annual real incomes.
- President Trump established the Governors Initiative on Regulatory Innovation.
  - This initiative is working to reduce outdated regulations at the State, local, and tribal levels, advance occupational licensing reform, and align Federal and State regulation.
- The President signed legislation eliminating regulatory barriers that made offering retirement benefits difficult for small businesses.
- The President took action to increase transparency in Federal agencies and protect Americans from administrative abuse.
  - This year, President Trump signed two Executive Orders to guard against secretive or unlawful interpretations of rules and prevent Americans from being hit with unfair and unexpected penalties.

- President Trump has followed through on his promise to repeal the Obama-era Waters of the United States Rule, lifting a burden off American farmers.
- President Trump ended the previous Administration's war on coal.
  - President Trump signed legislation repealing the harmful Obama-era Stream Protection Rule.
  - President Trump replaced the overreaching Obama-era Clean Power Plan with the Affordable Clean Energy Rule, which respects States' rights and promotes economic growth while lowering power-sector CO2 emissions.
- In 2017, the President announced the United States' withdrawal from the Paris Climate Agreement, which would have killed millions of American jobs.
- The Administration has worked to undo the Obama-era fuel economy regulations by proposing the SAFE Vehicles Rule to lower the cost of new and safer cars.
- President Trump helped community banks by signing legislation that rolled back costly provisions of Dodd-Frank.
- President Trump established the White House Council on Reducing Regulatory Barriers to Affordable Housing Development to bring down the costs of housing across the country.
- The President's deregulatory actions are removing government barriers to personal freedom and consumer choice in healthcare.
- In 2017, President Trump corrected Obama Administration overreach by right-sizing Bears Ears National Monument and Grand Staircase-Escalante National Monument.

**FIGHTING FOR FAIRER TRADE: President Trump is negotiating better trade deals for the American people after years of our country being taken advantage of.**

- President Trump negotiated the U.S.-Mexico-Canada agreement (USMCA) to replace the outdated North American Free Trade Agreement (NAFTA).

- USMCA includes tremendous wins for American workers, farmers, and manufacturers, generating over \$68 billion in economic activity and creating 176,000 new jobs.
- President Trump negotiated two tremendous deals with Japan to boost America's agricultural and digital trade with the world's third largest economy.
  - Thanks to President Trump's efforts, Japan will open its market to approximately \$7 billion in American agricultural exports.
  - The President's negotiations will boost the already approximately \$40 billion worth of digital trade between our two countries.
- President Trump fulfilled his promise to renegotiate the United States-Korea Free Trade Agreement, providing a boost to American auto exports.
  - These efforts doubled the number of American autos that can be exported to South Korea using United States safety standards.
- President Trump reached a historic phase one trade agreement with China that will begin rebalancing our two countries' trade relationship.
- As a result of President Trump's leadership, China has agreed to structural reforms in areas of intellectual property, technology transfer, agriculture, financial services, and currency and foreign exchange.
- China will be making substantial purchases of American agricultural products, marking a monumental win for American farmers.
- President Trump fulfilled his promise to withdraw from the disastrous Trans-Pacific Partnership (TPP).
- President Trump achieved a mutual agreement with the European Union to work together towards zero tariffs, non-tariff barriers, and subsidies on certain goods.
- President Trump has worked to prepare for post-Brexit trade and made Congress aware of his intent to negotiate a free trade agreement with the United Kingdom (UK).

- President Trump imposed tariffs on foreign steel and aluminum to protect our vital industries and support our national security.
- President Trump imposed tariffs to protect American-made washing machines and solar products that were hurt by import surges.
- The United States scored an historic victory by overhauling the Universal Postal Union (UPU), whose outdated policies were undermining American interests and workers.
- President Trump has expanded markets for American farmers to export their goods worldwide, for example:
  - The European Union has opened up to more American beef and increased imports of American soybeans.
  - China lifted its ban on American poultry and opened up to American beef.
  - South Korea lifted its ban on American poultry and eggs and agreed to provide market access for the greatest, guaranteed volume of American rice.
- The Trump Administration has authorized a total of \$28 billion in aid for farmers who have been subjected to unfair trade practices.

**SECURING THE BORDER: President Trump has taken historic steps to confront the crisis on our Nation's borders and protect American communities.**

- President Trump is following through on his promise to build a wall on our southern border.
  - The Administration expects to have approximately 450 miles of new border wall by the end of 2020.
- The President struck new agreements with Mexico, El Salvador, Guatemala, and Honduras to help stop the flood of illegal immigration.
  - The President worked with Mexico to ensure they would improve their border security.

- The United States is working with Mexico and others in the region to dismantle the human smuggling networks that profit from human misery and fuel the border crisis by exploiting vulnerable populations.
- The Administration negotiated agreements with El Salvador, Guatemala, and Honduras to stem the surge of aliens arriving at our border.
- President Trump negotiated the Migrant Protection Protocols, requiring certain migrants to wait in Mexico during their immigration proceedings instead of allowing them to disappear into our country.
- Thanks to the President's swift action, border apprehensions fell by more than 70 percent from May – the peak of the crisis – to November.
- The Trump Administration is stopping deadly drugs and violent criminals from flowing across our borders and into our communities.
  - Customs and Border Protection (CBP) seized more than 163,000 pounds of cocaine, heroin, methamphetamine, and fentanyl at the southern border in FY 2019.
  - The United States Coast Guard seized more than 458,000 pounds of cocaine at sea in FY 2019 and referred nearly 400 suspected drug smugglers for prosecution.
  - U.S. Immigration and Customs Enforcement (ICE) Homeland Security Investigations (HSI) seized over 1.4 million pounds of narcotics and made more than 12,000 narcotic-related arrests in FY 2019.
  - Drug Enforcement Administration (DEA) seized over 50,000 kilograms of methamphetamine and over 2,700 kilograms of fentanyl in FY 2019.
  - CBP apprehended 976 alien gang members in FY 2019, including 464 aliens affiliated with MS-13.
  - ICE HSI made over 4,000 arrests of gang members in FY 2019, including over 450 arrests of MS-13 members.

**RESTORING THE RULE OF LAW: President Trump is upholding the rule of law, restoring integrity to our asylum system, and promoting immigrant self-sufficiency.**

- President Trump released an immigration plan to fully secure our border, modernize our laws, and promote an immigration system based on merit.
- President Trump is working to combat the abuse of our asylum system that drives illegal immigration.
  - The Administration took action to close the *Flores* Settlement Agreement loophole and ensure alien families can be kept together through their proceedings.
  - The President released an order that makes aliens ineligible for asylum if they passed through another country in transit to our border and did not apply for asylum in that country first.
- Since taking office, President Trump has stepped up enforcement to ensure there are consequences for breaking our laws.
  - In FY 2019, the Department of Justice prosecuted a record breaking number of immigration related crimes.
  - ICE Enforcement and Removal Operations (ERO) arrested 143,099 aliens in FY 2019, 86 percent of whom had criminal records.
  - ICE ERO removed more than 267,000 illegal aliens from the United States in FY 2019.
- The Trump Administration is cracking down on sanctuary cities and increasing cooperation at the local level on immigration enforcement.
  - The Administration has more than doubled the number of jurisdictions participating in the 287(g) program, enhancing local cooperation on immigration enforcement.

- The Administration took action to protect taxpayers by ensuring that aliens wishing to enter or remain in our country are able to support themselves and not rely on public benefits.
- The President issued a proclamation to ensure immigrants admitted to America do not burden our healthcare system.
- The President has taken action to reduce nonimmigrant visa overstays, a problem that undermines the rule of law, impacts public safety, and strains resources needed for the border.
- President Trump made our country safer by ordering the enhanced vetting of individuals attempting to come to America from countries that do not meet our security standards.
- The President is taking a responsible approach to refugee admissions, prioritizing refugee resettlement in jurisdictions where both State and local governments consent to receive them.
  - This order is designed to ensure that refugees are placed in an environment where they will have the best opportunity to succeed in their new homes.

**CREATING SAFER COMMUNITIES: President Trump's policies are supporting our brave law enforcement officers and making America's communities safer.**

- Violent crime fell in 2017 and 2018, after rising during each of the two years prior to President Trump taking office.
  - Since 2016, the violent crime rate in America has fallen nearly 5 percent and the murder rate has decreased by over 7 percent.
- President Trump signed the First Step Act into law, making our criminal justice system fairer for all while making our communities safer.

- President Trump has promoted second-chance hiring to give former inmates the opportunity to live crime-free lives and find meaningful employment, all while making our communities safer.
- The Department of Education is expanding an initiative that allows individuals in Federal and State prisons to receive Pell Grants to better prepare themselves for the workforce.
- The Department of Justice and Bureau of Prisons launched a new “Ready to Work” Initiative to help connect employers directly with former prisoners.
- The Department of Labor awarded \$2.2 million to states to expand the use of fidelity bonds, which underwrite companies that hire former prisoners.
- President Trump has revitalized Project Safe Neighborhoods, bringing together Federal, State, local, and tribal law enforcement officials to develop solutions to violent crime.
- The President is standing up for our Nation’s law enforcement officers, ensuring they have the support they need to keep our communities safe.
  - The President established a new commission to evaluate best practices for recruiting, training, and supporting law enforcement officers.
  - The Administration has made available hundreds of millions of dollars’ worth of surplus military equipment to local law enforcement.
  - President Trump has signed an Executive Order to help prevent violence against law enforcement officers.
  - The President also signed legislation permanently funding the 9/11 Victim Compensation Fund, aiding our Nation’s brave first responders.
- The President has taken action to combat the scourge of hate crimes and anti-Semitism rising in America.
  - President Trump signed an Executive Order making it clear that Title VI of the Civil Rights Act of 1964 applies to discrimination rooted in anti-Semitism.

- The Administration launched a centralized website to educate the public about hate crimes and encourage reporting.
- Since January 2017, the Civil Rights division at the DOJ has obtained 14 convictions in cases involving attacks or threats against places of worship.
- The President signed the Fix NICS Act to keep guns out of the hands of dangerous criminals.
- President Trump signed the STOP School Violence Act and created a Commission on School Safety to examine ways to make our schools safer.
- The Trump Administration is fighting to end the egregious crime of human trafficking.
  - In FY 2019, ICE HSI arrested 2,197 criminals associated with human trafficking and identified 428 victims.
  - The President signed the Trafficking Victims Protection Reauthorization Act, which tightened criteria for whether countries are meeting standards for eliminating trafficking.
- President Trump established a task force to help combat the tragedy of missing or murdered Native American women and girls.

**ADVANCING AMERICA’S INTERESTS ABROAD: President Trump is putting America first and advancing our interests across the world.**

- President Trump’s maximum pressure campaign is countering Iran’s influence and pressuring the corrupt regime to abandon its malign activities.
  - The President removed the United States from the horrible, one-sided Iran nuclear deal and re-imposed all sanctions that were lifted by the deal.
  - In response to Iran’s aggression and gross human rights violations, the President authorized crippling sanctions on the regime’s leadership, including the Supreme Leader.

- President Trump is working to vigorously enforce all sanctions to bring Iran's oil exports to zero and deny the regime its principal source of revenue.
- President Trump has held two historic summits with North Korea and earlier this year became the first President to cross the DMZ into North Korea.
  - The Administration has maintained tough sanctions on North Korea while negotiations have taken place.
- Since taking office, President Trump has taken historic steps to support and defend our cherished ally Israel.
  - This year, President Trump acknowledged Israel's sovereignty over the Golan Heights and declared Israeli settlements in the West Bank are not inconsistent with international law.
  - The President made good on his promise to recognize Jerusalem as the true capital of Israel and move the United States Embassy there.
  - The President removed the United States from the United Nations (U.N.) Human Rights Council due to the group's blatant anti-Israel bias.
- President Trump has successfully urged North Atlantic Treaty Organization (NATO) members to increase their defense spending and to focus on modern priorities.
  - NATO Allies will increase defense spending by \$130 billion by the end of next year.
- The Administration has worked to reform and streamline the U.N., cutting spending and making the organization more efficient.
- Earlier this year, the President took action to protect our Second Amendment rights by announcing the United States will not join the misguided Arms Trade Treaty.
- President Trump has promoted democracy throughout the Western Hemisphere and imposed heavy sanctions on the regimes in Venezuela, Cuba, and Nicaragua.
- The President reversed the previous Administration's disastrous Cuba policy.

- President Trump has enacted a new policy aimed at stopping any revenues from reaching the Cuban military or intelligence services, imposed stricter travel restrictions, and reaffirmed the focus ensuring the Cuban regime does not profit from U.S. dollars.
- Earlier this year, the Trump Administration put a cap on remittances to Cuba.
- President Trump is enabling Americans to file lawsuits against persons and entities that traffic in property confiscated by the Cuban regime, the first time that these kind of claims have been available for Americans under the Helms-Burton Act.
- President Trump has stood with the democratically elected National Assembly and the Venezuelan people and worked to cut off the financial resources of the Maduro regime.
  - President Trump recognized Juan Guaido as the Interim President of Venezuela and rallied an international coalition of 58 countries to support him.
  - Earlier this year, President Trump blocked all property of the Venezuelan Government in the jurisdiction of the United States.
  - President Trump has sanctioned key sectors of the Venezuelan economy exploited by the regime, including the oil and gold sectors.
  - The Administration sanctioned Maduro's key financial lifelines, including the Venezuelan Central Bank, the Venezuelan Development Bank, and Petroleos de Venezuela.
- The Trump Administration has secured the release of Americans unjustly imprisoned abroad, including Kevin King, Xiyue Wang, Danny Burch, and more.
- The President and his Administration have worked to advance a free and open Indo-Pacific region, promoting new investments and expanding American partnerships.
- The President negotiated the return from Finland of approximately 600 tribal ancestral remains and other sacred objects for the American Indian and Pueblo communities from which they came.

- The Trump Administration released an economic plan to empower the Palestinian people and enhance Palestinian governance through private investment.
- The President created the first-ever whole-of-government approach to women's economic empowerment through his Women's Global Development and Prosperity Initiative.
- In June of 2019, the President released the U.S. Strategy on Women, Peace, and Security, which focuses on increasing women's participation to prevent and resolve conflicts.

**REBUILDING OUR NATION'S DEFENSE: President Trump is investing in our military and ensuring our forces are able to defend against any and all threats.**

- President Trump signed the National Defense Authorization Act (NDAA) for fiscal year (FY) 2020, authorizing a historic \$738 billion in defense spending.
  - President Trump continued to invest in rebuilding our military, after signing legislation to provide for \$700 billion in defense spending in FY18 and \$716 billion in FY19.
- President Trump signed a 3.1% pay raise for our troops, the largest increase in a decade.
- The President signed legislation establishing the Space Force as a new branch of the Armed Forces, the first new branch since 1947.
- The United States Space Command was relaunched in August 2019.
- The President is modernizing and recapitalizing our nuclear forces and missile defenses to ensure they continue to serve as a strong deterrent.
- The President upgraded our cyber defenses by elevating the Cyber Command into a major warfighting command and reducing burdensome procedural restrictions on cyber operations.

- President Trump is protecting America's defense-industrial base, directing the first whole-of-government assessment of our manufacturing and defense supply chains since the 1950s.
- Under the President's leadership, the United States is taking the fight to terrorists all around the globe.
  - ISIS' territorial caliphate has been defeated and all territory recaptured in Iraq and Syria.
  - The United States has brought Abu Bakr al-Baghdadi, the founder of ISIS, to justice.
- The President has taken decisive military action to punish the Assad regime in Syria for the barbaric use of chemical weapons on its own people.
  - The President also authorized sanctions against those tied to Syria's chemical weapons program.

**HONORING OUR VETERANS: President Trump is standing up for America's veterans by ensuring they receive the proper care and support they deserve.**

- President Trump signed the VA MISSION Act, revolutionizing the VA system, increasing choice, and providing quality care for our veterans.
  - This legislation reformed and expanded many of the existing programs to give veterans improved access to healthcare providers and offered entirely new options such as allowing veterans to get urgent care in their local communities.
  - The VA MISSION Act put veterans at the center of their healthcare decisions, not bureaucracy.
- The Trump Administration has expanded veterans' ability to access telehealth services, including through the "Anywhere to Anywhere" VA health care initiative.
- President Trump has brought accountability to the VA, as promised.

- President Trump signed the Veterans Affairs Accountability and Whistleblower Protection Act to ensure VA employees are held responsible for poor performance.
- Over 8,000 VA employees have been relieved of their duties at the VA since the beginning of the Administration.
- Veterans are seeing an improvement in quality of care under President Trump.
  - In the last year, the VA saw its highest patient experience ratings in history.
  - The Veterans of Foreign Wars found in its annual survey that more than 90 percent of respondents would recommend VA care to other veterans.
- President Trump signed the Veterans Appeals Improvement and Modernization Act of 2017 to expedite the veteran appeals process.
- The Administration is working to seamlessly align the VA's and DoD's electronic health records.
  - This new electronic health record system is on pace to launch next year in select areas.
- Under President Trump, the VA launched a new tool that provides veterans with online access to average wait times and quality-of-care data.
- Just as he promised, President Trump opened up a 24/7 White House VA Hotline to provide veterans access to help at all times.
- President Trump has committed his Administration to addressing the horrible tragedy of veteran suicide.
  - President Trump signed the PREVENTS Initiative, which created a task force to develop a revolutionary roadmap to tackle the problem of veteran suicide.
  - President Trump signed an executive order to improve access to suicide prevention resources for veterans.

- President Trump is expanding educational resources, promoting economic opportunity, and making sure our veterans have the support they need when they return home.
  - This year, the veteran unemployment rate reached its lowest level since 2000.
  - President Trump signed an executive order that paves the way for veterans to more easily join the Merchant Marine, providing quality job opportunities.
  - President Trump signed the Forever GI Bill, allowing veterans to use their educational benefits at any point in their lives.
  - President Trump expedited the process of discharging Federal student loan debt for our Nation's totally and permanently disabled veterans.
  - President Trump signed the HAVEN Act to ensure that veterans who've declared bankruptcy don't lose their disability payments.
- President Trump signed legislation providing a pathway for Alaska Natives who served in Vietnam to receive the land allotments to which they are legally entitled.

**COMBATING THE OPIOID CRISIS: President Trump has made battling the opioid crisis a top priority for his Administration, and the results couldn't be clearer.**

- President Trump brought attention to the opioid crisis by declaring it a nationwide public health emergency.
- To address the many factors fueling the drug crisis, President Trump launched an Initiative to Stop Opioid Abuse and Reduce Drug Supply and Demand.
- Thanks to the President's efforts, landmark new Federal funding and resources have been dedicated to help end this crisis.
- President Trump signed the SUPPORT for Patients and Communities Act, the largest and most comprehensive piece of legislation to combat the opioid crisis in history.

- The Department of Health and Human Services (HHS) has awarded nearly \$9 billion over 2016 to 2019 in grants to address the opioid crisis and improve access to prevention, treatment, and recovery services in partnership with State and local officials.
- Nearly \$1 billion in grants were recently awarded for the HEAL Initiative to support development of scientific solutions to help prevent and treat addiction.
- President Trump announced a Safer Prescriber Plan that seeks to decrease the amount of opioids prescription fills by one third within three years.
  - From January 2017 to September 2019, the total amount of opioids prescriptions filled in America dropped by 31%.
- This year, the President launched FindTreatment.gov, a newly designed website that makes it easier to find substance abuse treatment locations.
- The President implemented new efforts to educate Americans about the dangers of opioid misuse.
  - These efforts include an ad campaign on youth opioid abuse that reached 58 percent of young adults in America.
- President Trump and his Administration aggressively worked to cut off the flow of deadly drugs into our communities.
  - In FY 2019, ICE HSI seized 12,466 pounds of opioids including 3,688 pounds of fentanyl, an increase of 35% from FY 2018.
  - The Administration shut down the country's biggest Darknet distributor of drugs, seizing enough fentanyl to kill 105,000 Americans in the process.
  - Under President Trump, a DOJ strike force charged more than 65 defendants collectively responsible for distributing over 45 million opioid pills.
  - The Administration has brought kingpin designations against traffickers operating in China, India, Mexico and more who have played a role in the epidemic in America.

- The Administration secured the first-ever indictments against Chinese fentanyl traffickers.
- This year, President Trump convinced China to enact strict regulations to control the production and sale of all types of fentanyl.
- Evidence suggests that President Trump's efforts are making a real difference across the Nation.
  - Preliminary data shows overdose deaths fell nationwide in 2018 for the first time in decades.
  - Many of the hardest hit states – including Ohio, Kentucky, and West Virginia – saw drug overdose deaths drop in 2018.
  - Since 2016, there has been a nearly 40 percent increase in the number of Americans receiving medication-assisted treatment.

**PUTTING PATIENTS FIRST: President Trump is working hard to give Americans better quality care at a lower cost.**

- The Administration is delivering quality healthcare and promoting innovative treatment options for American patients.
  - Earlier this year, President Trump signed an order to protect and improve Medicare for our seniors, encouraging even more competition and promoting innovative benefits.
  - President Trump signed and implemented the Right to Try Act, which has expanded treatment options for terminally ill patients.
  - The President has taken action to combat childhood cancer, initiating an effort to provide \$500 million over the next decade to improve pediatric cancer research.
  - The President signed legislation providing an additional \$1 billion in Alzheimer's disease research funding.

- The Administration launched a plan to end the HIV/AIDS epidemic in America in the next decade.
- President Trump took action to increase the availability of organs for patients in need of transplants and provide more treatment options and improve care for patients suffering from kidney disease.
- The President signed an order to modernize the influenza vaccine.
- The Administration is making healthcare more affordable and transparent.
  - The Administration is requiring hospitals to make their prices negotiated with insurers publicly and easily available online.
  - The President is working to expand Association Health Plans, which would make it easier for employers to join together and offer more affordable health coverage to their employees.
  - President Trump extended access to short-term, limited-duration health plans, giving Americans more flexibility to choose plans that suit their needs.
  - The Administration expanded the use of Health Reimbursement Arrangements (HRAs). Now, HRAs allow employers to help their employees pay for the cost of insurance that they select in the individual market.
  - The Administration has successfully worked to reduce Medicare Advantage and Part D premiums to their lowest in years.
  - The Administration has improved access to health savings accounts for individuals with chronic conditions.
  - The President has worked to reduce the burden felt by Americans due to Obamacare and eliminated Obamacare's individual mandate penalty.
  - President Trump released legislative principles to end surprise medical billing and is working with Congress to give patients the control they deserve.
- President Trump is following through on his pledge to combat high drug prices.

- President Trump released a blueprint to reduce drug prices and expand affordability for American patients.
- The Administration's efforts to lower drug prices led to the largest year-over-year decrease in drug prices ever recorded.
- The President has advanced efforts to import prescription drugs from Canada in partnership with several states, including Florida and Colorado.
- The President launched an initiative to stop global freeloading in the drug market, proposing a new way for Medicare to pay for certain drugs based on prices other developed nations pay.
- The President signed legislation to end pharmacy gag clauses, which prevented pharmacists from letting patients know when it would be cheaper to buy drugs without their insurance.

**SAFEGUARDING LIFE AND RELIGIOUS LIBERTY: President Trump has made it a priority of his Administration to uphold the sanctity of life and safeguard religious liberty for all.**

- President Trump is unequivocally committed to protecting the sanctity of every human life.
- The Administration issued a rule preventing Title X family planning funds from supporting the abortion industry.
- President Trump has called on Congress to end late-term abortions.
- The Trump Administration cut all funding to the U.N. population fund, due to the fund's support for coercive abortion and forced sterilization.
- HHS rescinded an Obama-era guidance that prevented states from taking certain actions against abortion providers.
- President Trump reinstated and expanded the Mexico City Policy in 2017, ensuring that taxpayer money is not used to fund abortion globally.

- The President has taken action to end federal research using fetal tissue from abortions.
- President Trump is protecting healthcare entities and individuals' conscience rights—ensuring that no medical professional is forced to participate in an abortion in violation of their beliefs.
- The Administration provided relief to American employers like Little Sisters of the Poor, protecting them from being forced to provide coverage that violate their conscience.
- President Trump has taken unprecedented action to support the fundamental right to religious freedom.
  - In 2018, President Trump signed an Executive Order establishing the White House Faith and Opportunity Initiative.
  - In 2017, President Trump signed an Executive Order upholding religious liberty and the right to engage in religious speech.
  - The Department of Justice created a Religious Liberty Task Force in 2018.
  - The Trump Administration continues to vigorously defend religious liberty in the courts at every opportunity.
